

Hone Arts Craft

Catalogue @ 2020

We are professional manufacturer of EVA Foam, Color paper, Felt, and other school supplies, office supplies, hobby and DIY products, as well as home decoration series. We are experienced in this line for over 15 years. We run a complete system of quality assurance, service management, marketing and sourcing.

1 2

We export our products to worldwide market for many years. Our main customer groups are medium retailers, brands store, toys and crafts wholesalers. We have built long term cooperation with most of our customers and our annual turnover exceed USD20,000,000.

3 4

Our head office is in Changsha city, in the middle of China. We have over 200,000 m2 production area, located in Guangdong, Zhejiang, Jangsu, Shandong etc. We have machines of foaming, slicing, printing, coating, dying, laminating, calendaring, die cutting, shrinking packaging etc. We have management staff of 40 persons, workers of around 200.

Besides manufacturing, we also:

- represent some very special products as sole agent.
- work as sourcing agent or buying office for some big customers.

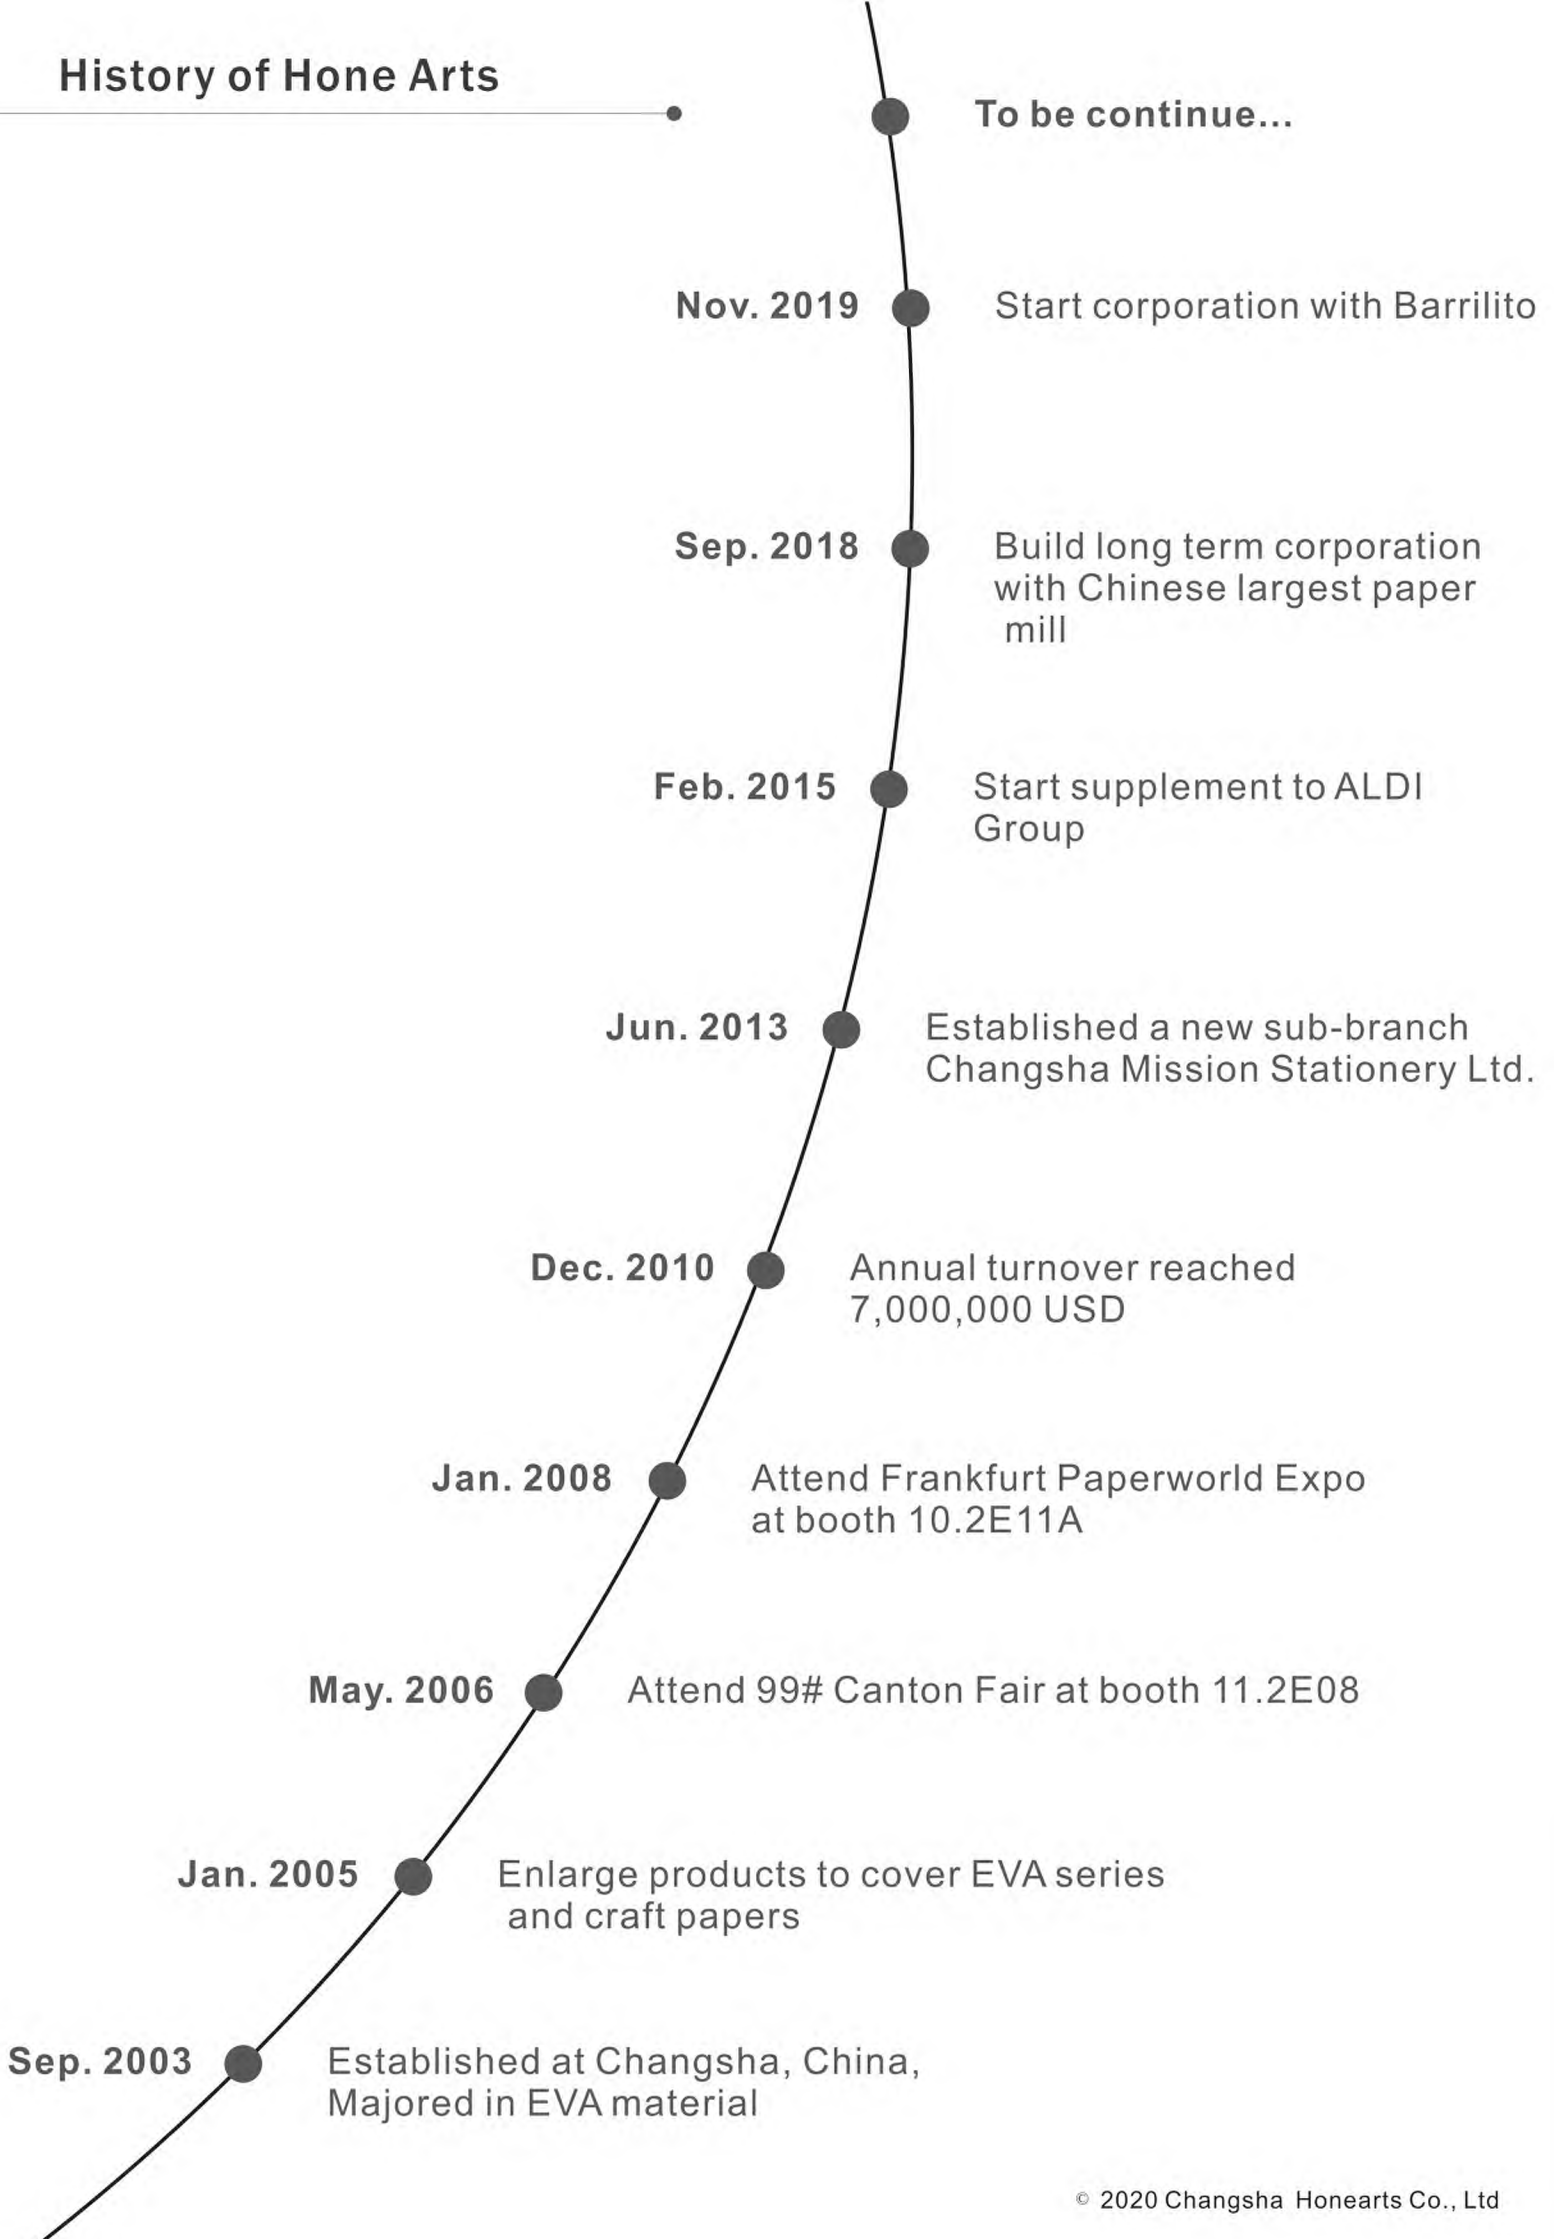

We know customers' demands very well. We dedicate to make your buying journey easy and joyful. Our old customers have become our old friends. We cherish our old friends and welcome you as new friends!
